

We're declaring our
Familyness
to the world.

our **life** is beautiful,
our relationships are **magical**
God is wanting our family to **succeed.**

We are building more
fun hours
intentional days
happier years

We are
signing on the line,

This year will be
our **Year of Familyness,**
to
feel closer,
laugh more freely
love with more abandon
give into our **playful** heart
forgive unconditionally.

[We are **LIVING** A year of Familyness.]
